## Baptism Registration / Application Form

Please ensure that you have read about Baptism prior to completion of this form. If there is anything you do not fully understand then please do not hesitate to speak with one of the ministers. We are quite happy to arrange to speak with you as many times as you wish prior to the service to talk through any questions which you may have. We hope that you are able to come to church as often as possible before and after the service, it is especially useful for you to attend at the Family Services which are held on the first Sunday of every month.
